

DEPARTMENT OF ANATOMY

Dr Sarita Sylvia

Morphometric Analysis of Foramen Magnum in Dry Human Skulls of North Karnataka Region

¹Archana N. Kotli, ²Sarita Sylvia and ³Sangeeta S. Patil

Research journal of medical sciences (2023); volume18(2) (page no 81-84)

Morphological Study of Human Placenta in North Karnataka Region

¹N. Archana Kotli, ²S. Sangeeta Patil and ³Sarita Sylvia

Research journal of medical sciences (2023); volume18(2) (page no 91-94)

Dr Sangeeta S. Patil

Morphometric Analysis of Foramen Magnum in Dry Human Skulls of North Karnataka Region

¹Archana N. Kotli, ²Sarita Sylvia and ³Sangeeta S. Patil

Research journal of medical sciences (2023); volume18(2) (page no 81-84)

Morphological Study of Human Placenta in North Karnataka Region

¹N. Archana Kotli, ²S. Sangeeta Patil and ³Sarita Sylvia

Research journal of medical sciences (2023); volume18(2) (page no 91-94)

Morphometric Analysis of infra-orbital foramen in Dry Human Skulls in North Karnataka Region

Archana N Kotli*¹, Sangeeta S patil*².

Int J Anat Res 2020, 8(2.1):7435-39

Dr Archana K

Morphometric Analysis of Foramen Magnum in Dry Human Skulls of North Karnataka Region

¹Archana N. Kotli, ²Sarita Sylvia and ³Sangeeta S. Patil

Research journal of medical sciences (2023); volume18(2) (page no 81-84)

Morphological Study of Human Placenta in North Karnataka Region

¹N. Archana Kotli, ²S. Sangeeta Patil and ³Sarita Sylvia

Research journal of medical sciences (2023); volume18(2) (page no 91-94)

Morphometric Analysis of infra-orbital foramen in Dry Human Skulls in North Karnataka Region

Archana N Kotli*¹, Sangeeta S patil*².

Int J Anat Res 2020, 8(2.1):7435-39

Variations of calcaneal facets on talus in north Karnataka region

Sangeeta S Patil¹, Archana N Kotli*².

Int J Anat Res 2020, 8(2.1):7450-53
