

DEPARTMENT OF ORTHOPAEDICS

1. Itagi PB, Pattanshetty AS. A comparative study of plate fixation versus titanium elastic nail in treatment of displaced midshaft clavicle fractures. International Journal of Orthopaedics Sciences 2021 Oct 1;7(4):672-6.
2. AC Shivaraj, Itagi PB, Patil AC, AG R. A prospective study of surgical and functional outcomes of revision hip arthroplasty. International Journal of Orthopaedics Sciences. 2022 Jan 1; 8(1):795-9.
3. Itagi P, Patil VB, Kulkarni V, Patil CV. A comparative study of operative management with conservative management of Calcaneum fracture. International journal of scientific research. 2023 Apr;12(4)
4. Itagi P, Patil VB, Kulkarni V, Herur V. A study of management of non-union bones by autologus bone marrow injection. International journal of scientific research. 2023 May; 12(5)
5. Lavakumar SL, Baogi Z. A study of medial compartment osteoarthritis of knee after proximal fibular osteotomy. International Journal Orthopedics Sciences. 2021;7(2):210-5.
6. Loya L, Kollur RV. A prospective study of management of intertrochanteric fractures of femur by modified intramedullary implant. International Journal Orthopedics Sciences. 2022;8(1):127-34
7. Loya L, Hugar SM. A study of management of nonunion of long bone fractures by limb reconstruction system. International Journal Orthopedics Sciences. 2022;8(1):271-7
8. Loya L, AC Shivaraj, Anilkunar. Retrograde intramedullary nailing for arthrodesis of ankle joint. International journal of scientific research. 2024 Mar;13(3):1462-6.
9. Garampalli A, Kulkarni V, Abhilash. A prospective study of management of orthopedic device related infection - A regional hospital study. International journal of medical science and current research. 2022 May-Jun;5(3):463-71.

10. Garampalli A, Kulkarni S. A comparative study of functional outcome of intra-articular distal radius fractures treated surgically using volar plating versus ligamentotaxis. Indian journal of research Paripex. 2023 Feb;12(2)
11. Kulkarni R, Chennur S. Functional outcome of acromioclavicular joint disruption treated using anchor sutures. International Journal Orthopedics Sciences. 2021;7(4):696-9.
12. Kulkarni R, Patil VV. Functional outcome of ankle fractures treated with journal of dental and medical science Sci. 2022 Jan;21(1):1-12. internal fixation.
13. Kulkarni R, Meda A. A clinical study of radius and ulna shaft fracture managed by closed reduction and internal fixation with TENS. International journal of scientific research. 2023 Nov;12(11): doi: 10.36106.
14. Kulkarni R, Meda A. High tibial osteotomy in middle-aged medial knee osteoarthritis: case series International journal of scientific research. 2023 Feb;12(2). doi: 10.36106.
15. Patil VB, Itagi P, Kulkarni V, Patil CV. A comparative study of operative management with conservative management of Calcaneum fracture. International journal of scientific research. 2023 Apr;12(4)
16. Patil VB, Kumar S, Swami PV. Functional and radiological outcome with associated postoperative complications in management of proximal humerus fracture using proximal humeral internal locking system (PHILOS). Journal cardiovascular Disease and research. 2023;14(9)
17. Patil VB, Kulkarni V. Masgal E. Clinical study of functional outcomes in calcaneal fractures who underwent surgical management in tertiary care hospital., Journal cardiovascular Disease and research. 2023;14(9)
18. Patil VB, Masgal EM, Revansiddappa. Outcome assessment of locking plate osteosynthesis for proximal tibia fractures Journal cardiovascular Disease and research. 2023;14(11)
19. G Pradeepa, Patil VB. Masgal E. Clinical, functional, and radiological outcome of proximal femur nail (PFN) in comparison with proximal femur nail Antirotation

for Asians (PFNA2) in the treatment of Intertrochanteric femur fracture. International Journal Of advanced research. 2024 Aug

20. Patil AC, Shivaraj AC, Itagi PB, Rakshith AG. A prospective study of surgical and functional outcomes of revision hip arthroplasty. International journal/ of orthopaedics sciences. 2022;8(1):795-9.
21. Patil AC, Sulepath S. Case report of bilateral hip arthritis secondary to failed SCFE treatment. Indian Journal of Orthopaedics Surgery. 2023;9(2):1-4.
22. Patil AC, Bindusar, Shivaraj AC, Patil S. Outcome evaluation of undreamed closed interlocking intramedullary nailing in the management of open tibial shaft fractures across Gustilo-Anderson types except type IIIC. Journal of population therapeutics and clinical pharmacology.
23. Patil AC, Bindusar, Shivaraj AC, Patil S. Outcome evaluation of undreamed closed interlocking intramedullary nailing in the management of open tibial shaft fractures across Gustilo-Anderson types except type IIIC. Journal of Population Therapeutics and Clinical Pharmacology. 2023;30(19):1073-80.
24. AC S, Itagi PB, Patil AC, AG R. A prospective study of surgical and functional outcomes of revision hip arthroplasty. International Journal of Orthopaedics Sciences. 2022 Jan 1;8(1):795-9.
25. Kumar K, Loya SL, Shivaraj AC. Retrograde intramedullary nailing for arthrodesis of ankle joint. International journal of scientific research (IJSR). 2024 Mar, 13(3):1462-6. doi: 10.21275/SR24124000359.
26. GR Ravindra, Kulkarni M, Patil S. Study of factors affecting range of motion after total knee arthroplasty in Indian patients. Journal of medical science research. 2021;9(2):56-63.
27. Shivanand, GR. Ravindra, Chapparbandi SR. Prevalence of functional dependence among elderly people in Vijayapur district, Karnataka. European Journal of Cardiovascular Medicine. 2024;14(4)

28. Patil VB, Kulkarni V, Masgal E. Clinical study of functional outcomes in calcaneal fractures who underwent surgical management in tertiary care hospital. Journal cardiovascular Disease and research. 2023;14(9)
29. Patil VB, Masgal EM, Revansiddappa. Outcome assessment of locking plate osteosynthesis for proximal tibia fractures. Journal cardiovascular Disease and research. 2023;14(11)
30. Sriram S, Ingishetty NM, Reddy GR, Bawage R. Functional outcome of tibial fractures in children treated by Supracutaneous locking plates. International journal/ of Pharmaceutical and clinical researche. 2023;15(10):812-6.
